## AUTO REGISTRATION

January, 2019

Council policy requires all residents to register their vehicle(s) with the Devon office, and obtain and display a parking sticker on the back of the vehicle. This includes vehicles in the Devon parking garage.

This was adopted to enable us to notify you in case of problems, such as failure to turn off your lights, and to monitor use of our facilities.

In order to register your vehicle(s), please read, fill-in and return the attached form to the Devon office.

Please respond even if you do not have a car.
